Cancellation fee of \$65.00 will apply to reservations that are canceled within 12 hours of scheduled shipment. Materials must be returned overnight to avoid rental days assessed after return trip. Return shipping is the responsibility of the customer; correct dangerous good shipping rules apply and customer must return equipment by an approved shipper. Equipment will be billed from date of shipment to the date of return (with one day shipping allowance credited each way when shipped overnight next day service). Customer is responsible for replacement cost of equipment if it is not returned. Damage to equipment will be billed at repair costs. A \$35.00 hazmat packaging fee applies to all shipments. Please retain packaging information for return shipment.
