TERMS: Deposit due in advance of rental unless credit terms are arranged prior to shipment. Cancellation fee of \$65.00 will apply to reservations that are cancelled within 12 hours of scheduled shipment. Materials must be returned overnight to avoid rental days assessed after return trip. Return shipping is the responsibility of the customer; correct HazMat (dangerous goods) shipping rules apply and customer must return equipment by a HazMat approved shipper. Equipment will be billed from date of shipment to the date of return (with one day shipping allowance credited each way when shipped overnight next day service). Customer is responsible for replacement cost of equipment if it is not returned. Damage to equipment will be billed at repair costs plus any recertification fees. A \$35.00 HazMat packaging fee applies to all shipments. Please retain packaging for return shipment. Any fee assessed by Pay Pal will be incurred by renter.

I/We agree to the rental terms stated here.
